Subject: Musconetcong Wild and Scenic River - EPA Review Request

Dear Administrator Lopez:

Please find attached a letter to you from the National Park Service requesting EPA assistance related to a tributary classification issue on the Musconetcong National Wild and Scenic River.

As noted in the letter, follow-up may be addressed to our project leader for the Musconetcong, Paul Kenney:

Paul Kenney
River Manager, Partnership Wild & Scenic Rivers Program
Great Egg Harbor, Maurice and Musconetcong Rivers
DOI Region 1, National Park Service
1234 Market Street, 20th Floor
Philadelphia, PA 19107
Office (215) 597-5823
Cell (610) 203-4248

Thank You for your assistance with this important topic. I am also available to discuss this letter/request from the National Park Service.

Sincerely:

Jamie Fosburgh, Branch Chief
